CELEBRATE SCIENCE DAY SPONSORSHIP FORM

Sunday, May 3, 2026, 1-5 p.m. • Reading Regional Airport Aviation Hangar 521 • Free to the Public

Expected Audience: Families from Berks County and beyond, targeted to children ages 5-12, approximately 1,000 attendees.

Celebrate Science Day 2026 moves to the Reading Regional Airport, giving us the space to make our third year the biggest yet. In its first two years, the event has welcomed an average of 700 attendees and strengthened community awareness of the Reading Science Center, drawing families from across Berks County and beyond.

In 2026, we anticipate approximately 1,000 guests and an expanded lineup of hands-on STEM activities and community partners. As always, admission remains free so families from all backgrounds can enjoy a meaningful afternoon of discovery, creativity, and real-world science experiences.
